

The Hawkesbury is known for its amazing produce but there is also a growing boutique wine, beer, cider and spirits industry right here. This weekend try something different, gather a few friends, find a designated driver or experienced tour operator and enjoy a 'taste and sip' road trip around the Hawkesbury.

Meet our Makers any time of the year! A Hawkesbury road trip is enjoyable all year round, our beautiful region offers a different experience each season.

We recommend that large groups plan and book ahead.
